01 · CONNECT

VivaREA — vivarea.art

Enter. Connect. Find your place in the field.

You enter, arrive at yourself, and connect with people, spaces and the larger field.

VivaREA is the social and digital connection layer of The Circle of Arts.

02 · UNDERSTAND

Art of Numbers — numbers.art

Understand yourself, your patterns and your potential.

Through your personal numbers, you engage with yourself: your patterns, your potential, your direction and your family system.

Art of Numbers opens an additional perspective on who you are and what is laid out within you.

03 · LEARN

Artiviva — artiviva.art

Learning that remembers you.

Children and adults get access to what truly interests them — through courses of varying depth and learning paths oriented to their own potential.

Artiviva remembers where you are in your learning and grows with you.

Step by step you build knowledge, abilities and skills.

04 · BUILD

Arts Ventures — arts.ventures

From potential to venture.

Live your potential.

What you have learned, recognised and developed becomes something of your own.

From learning, talents, ideas and clarity come: offers. Projects. Businesses. Ventures.

Arts Ventures is the holistic incubator that helps build something viable out of it.

05 · MARKET

Arts Varieties — varieties.art

Bring what you create into the market.

With your venture, your business or your offer, you step into the market.

People discover, share, value, book and buy what others have created.

Arts Varieties brings skills, offers and demand together.

06 · LIVE

Arts Villages — artsvillages.com

Live what you build.

What emerges digitally, personally, educationally and economically is physically lived and embodied.

Arts Villages are places where family, work, learning, entrepreneurship and life together come together.
